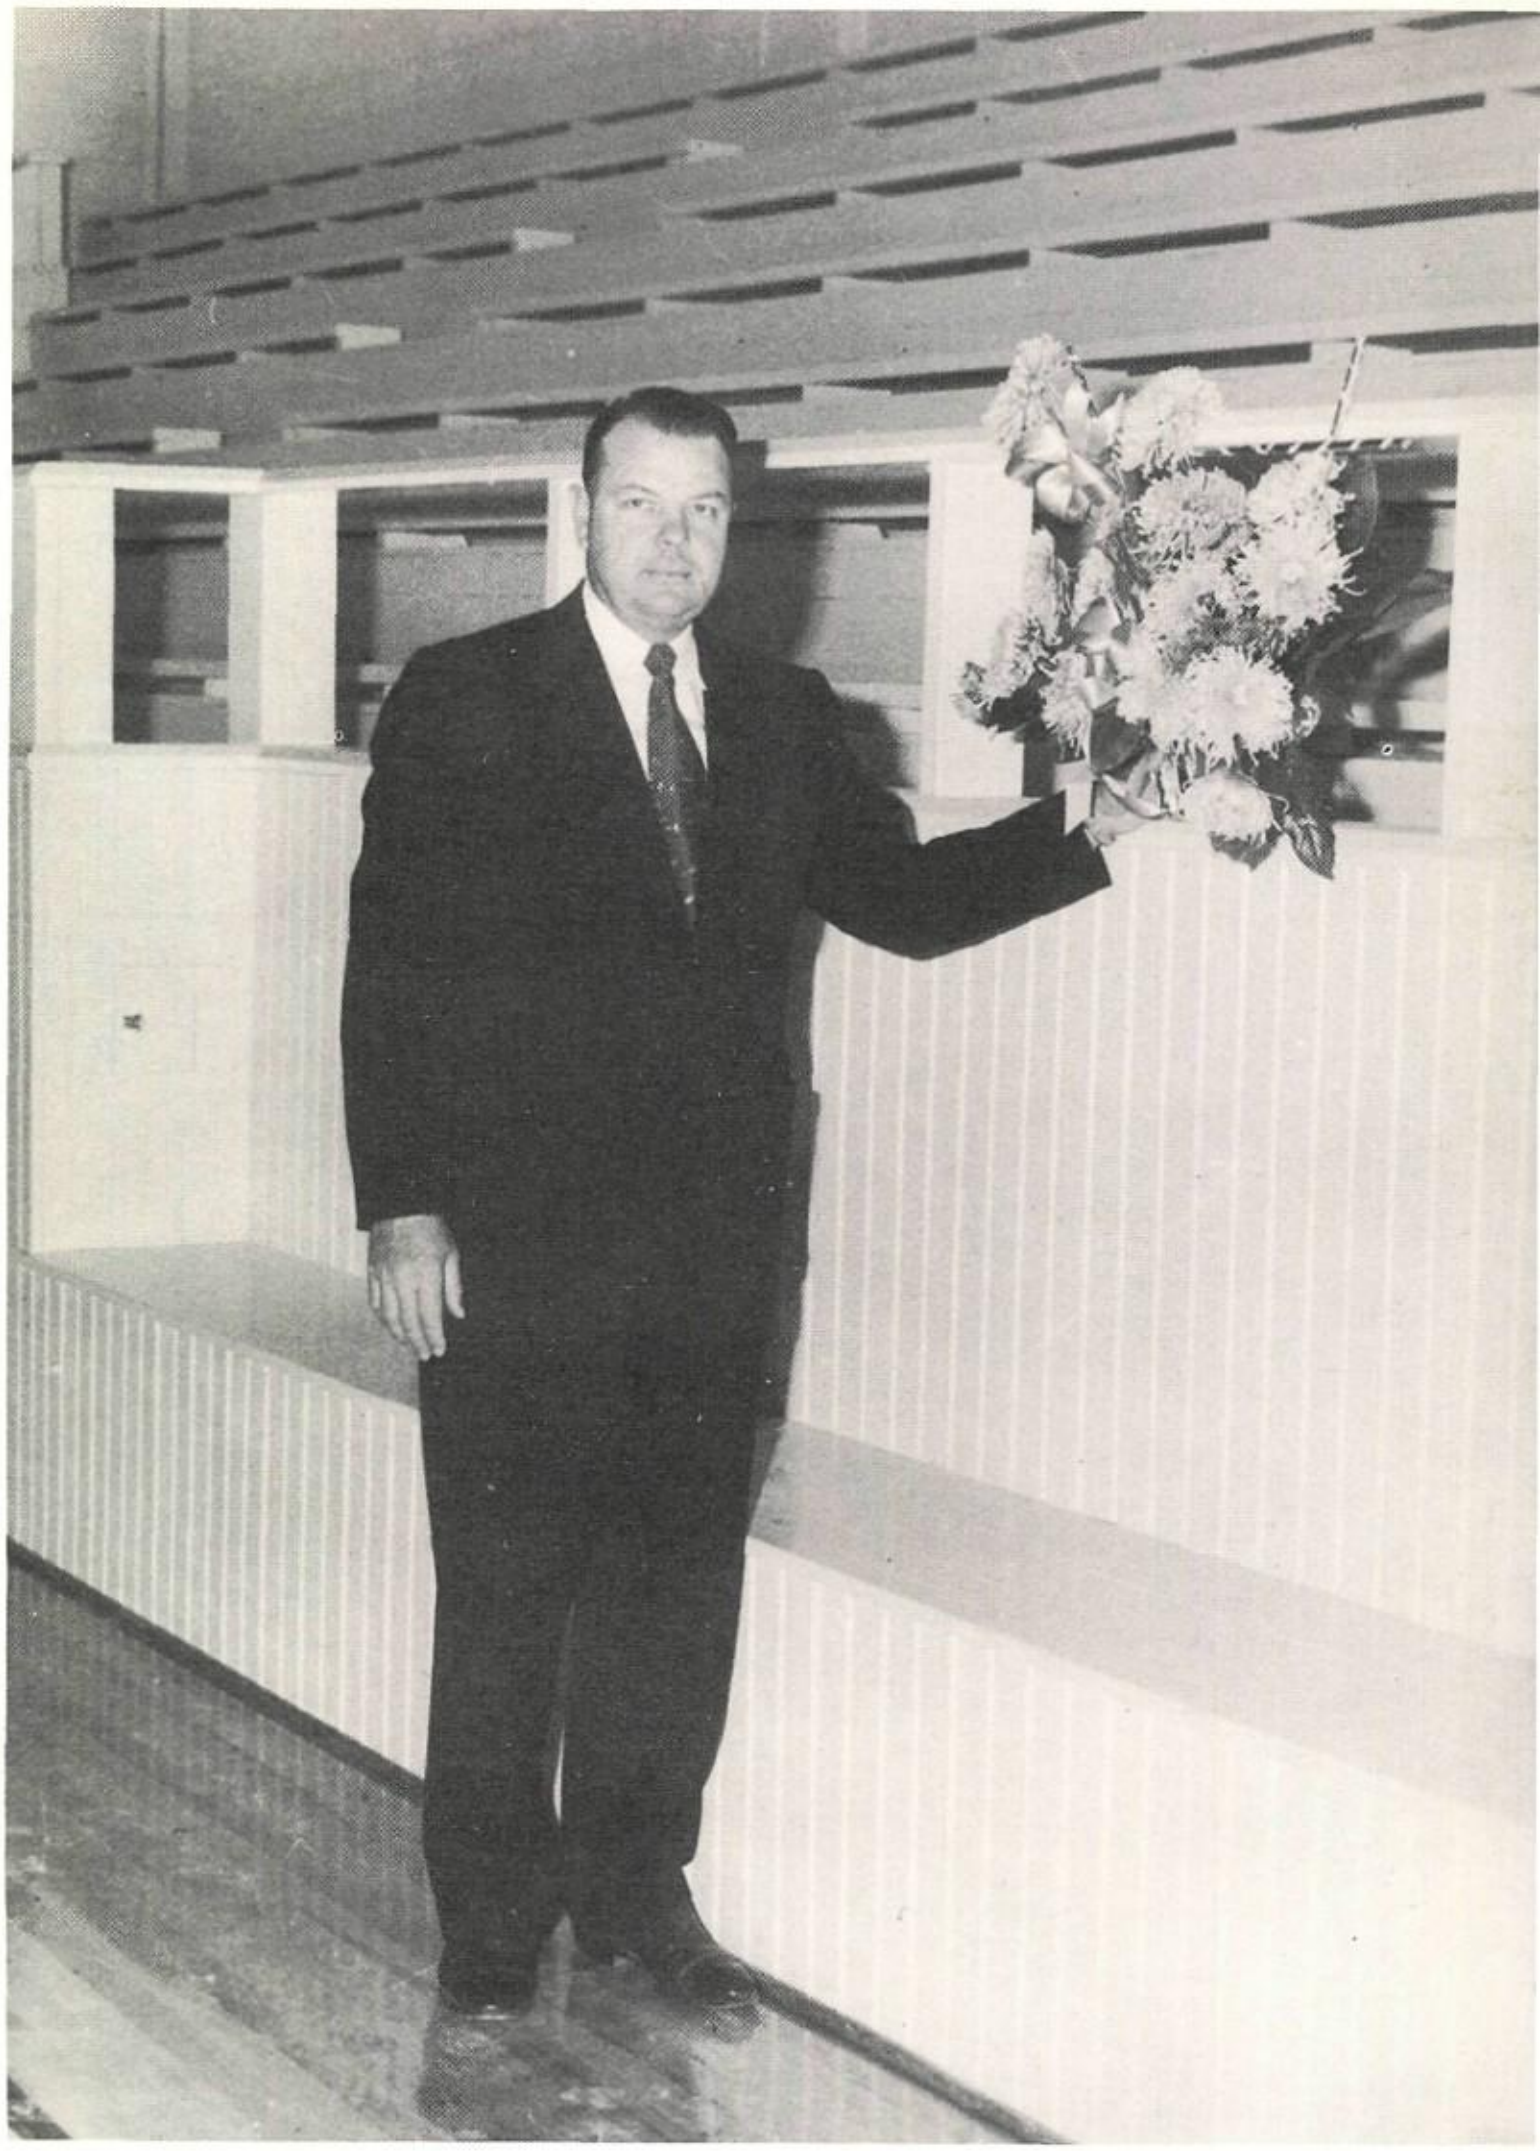
Dedication

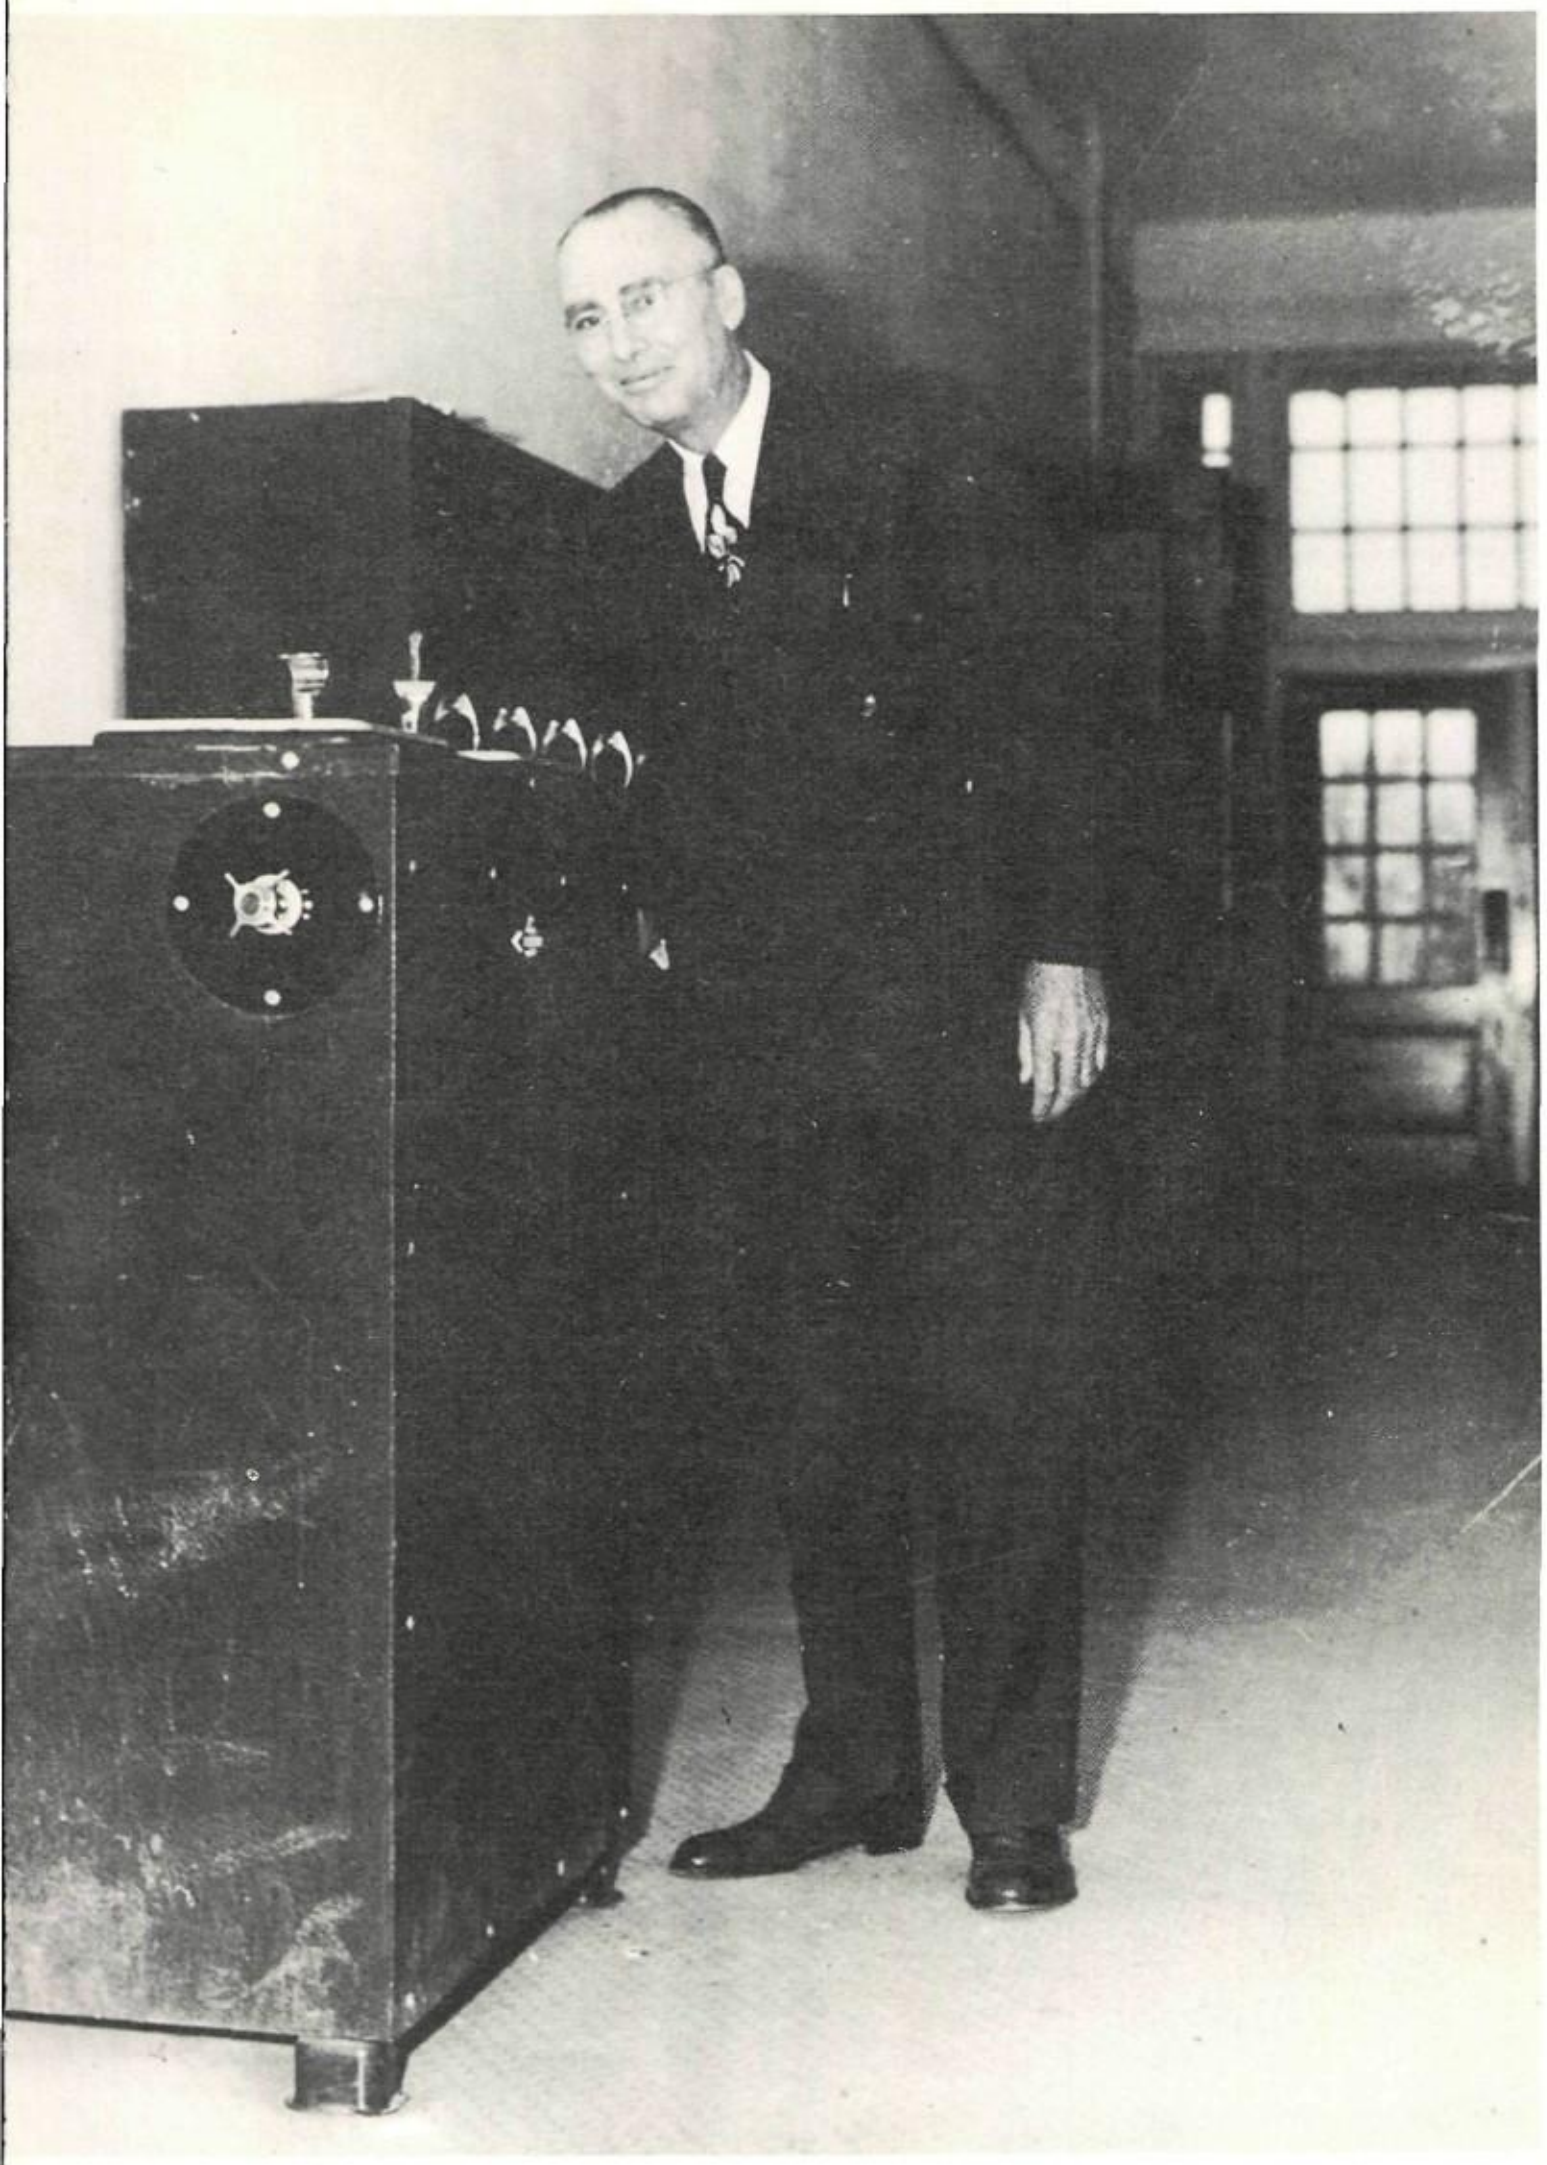
To Mr. L. B. Foster, better known as "Pop", we, the students of Ennis High School affectionately dedicate this, our 1951 Cicerone. May this yearbook serve as a reminder of the many faithful years of service "Pop" has devoted to the school.

Faculty



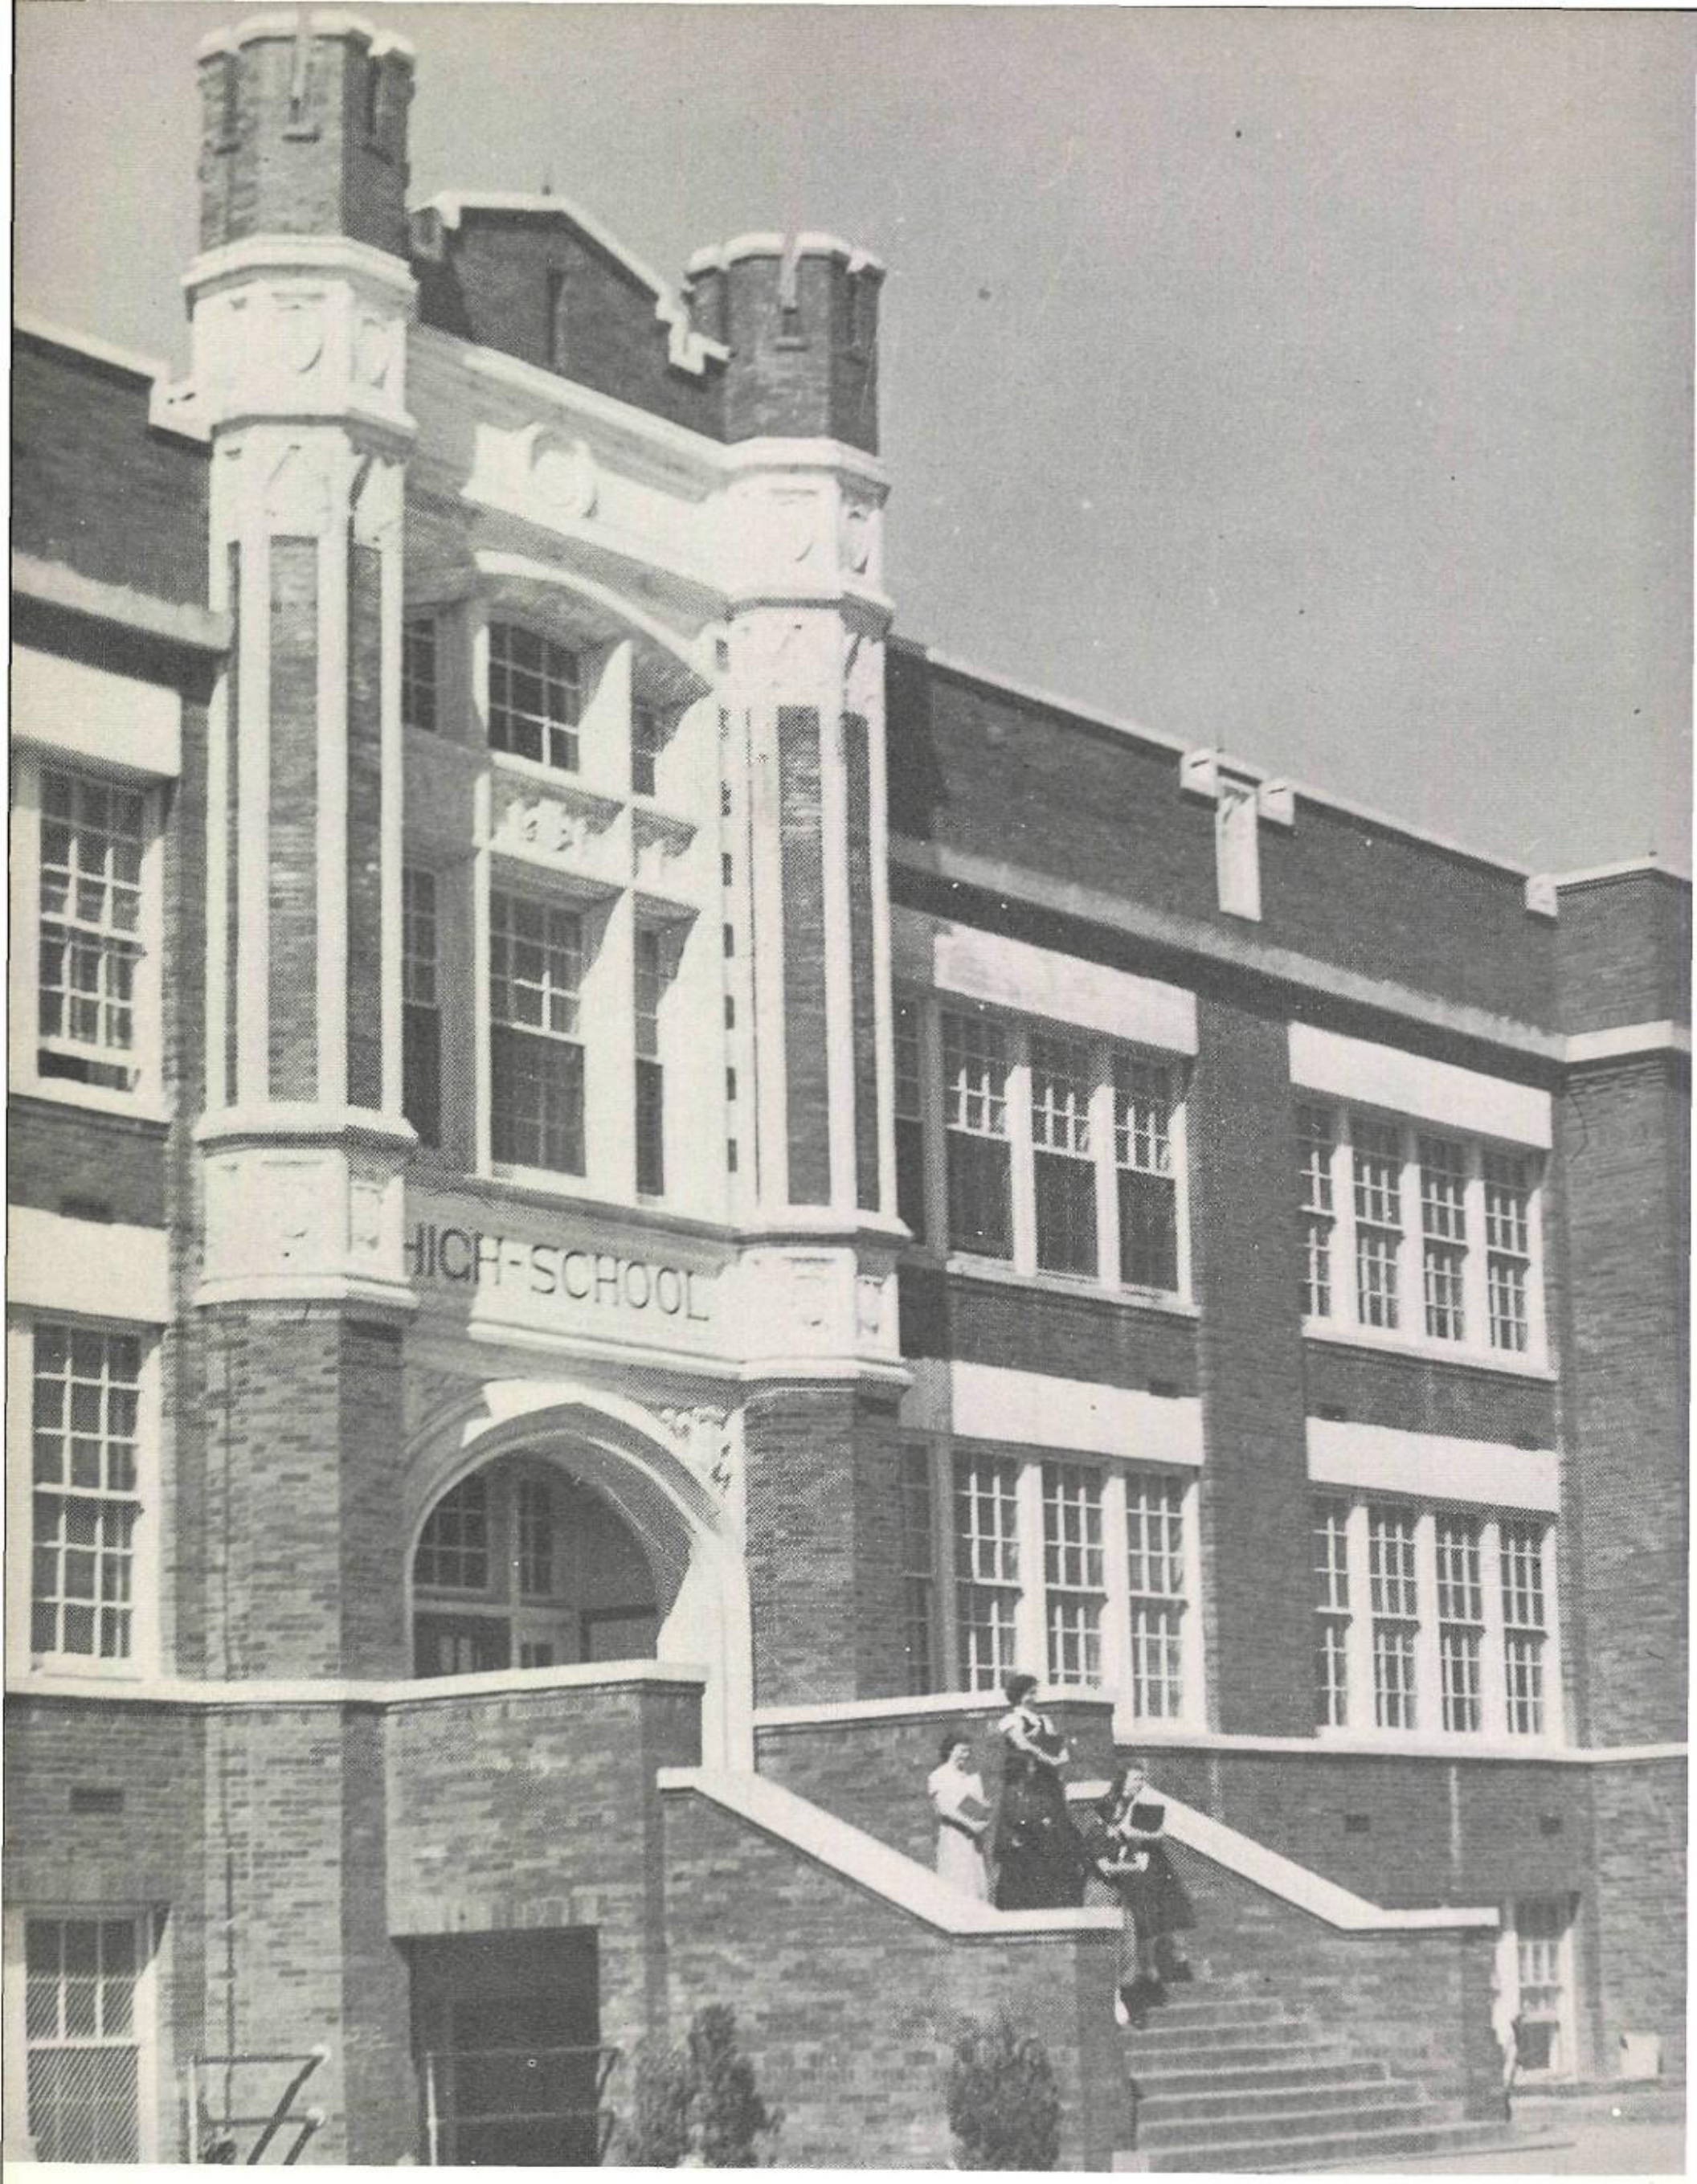
Superintendent

Mr. J. F. Gardner, Superintendent of Ennis Public Schools, places flowers in the new gymnasium for the open house ceremonies. With admirable capability, Mr. Gardner has managed the affairs of the Ennis Public Schools and helped to develop only the most desirable characteristics in the student body.

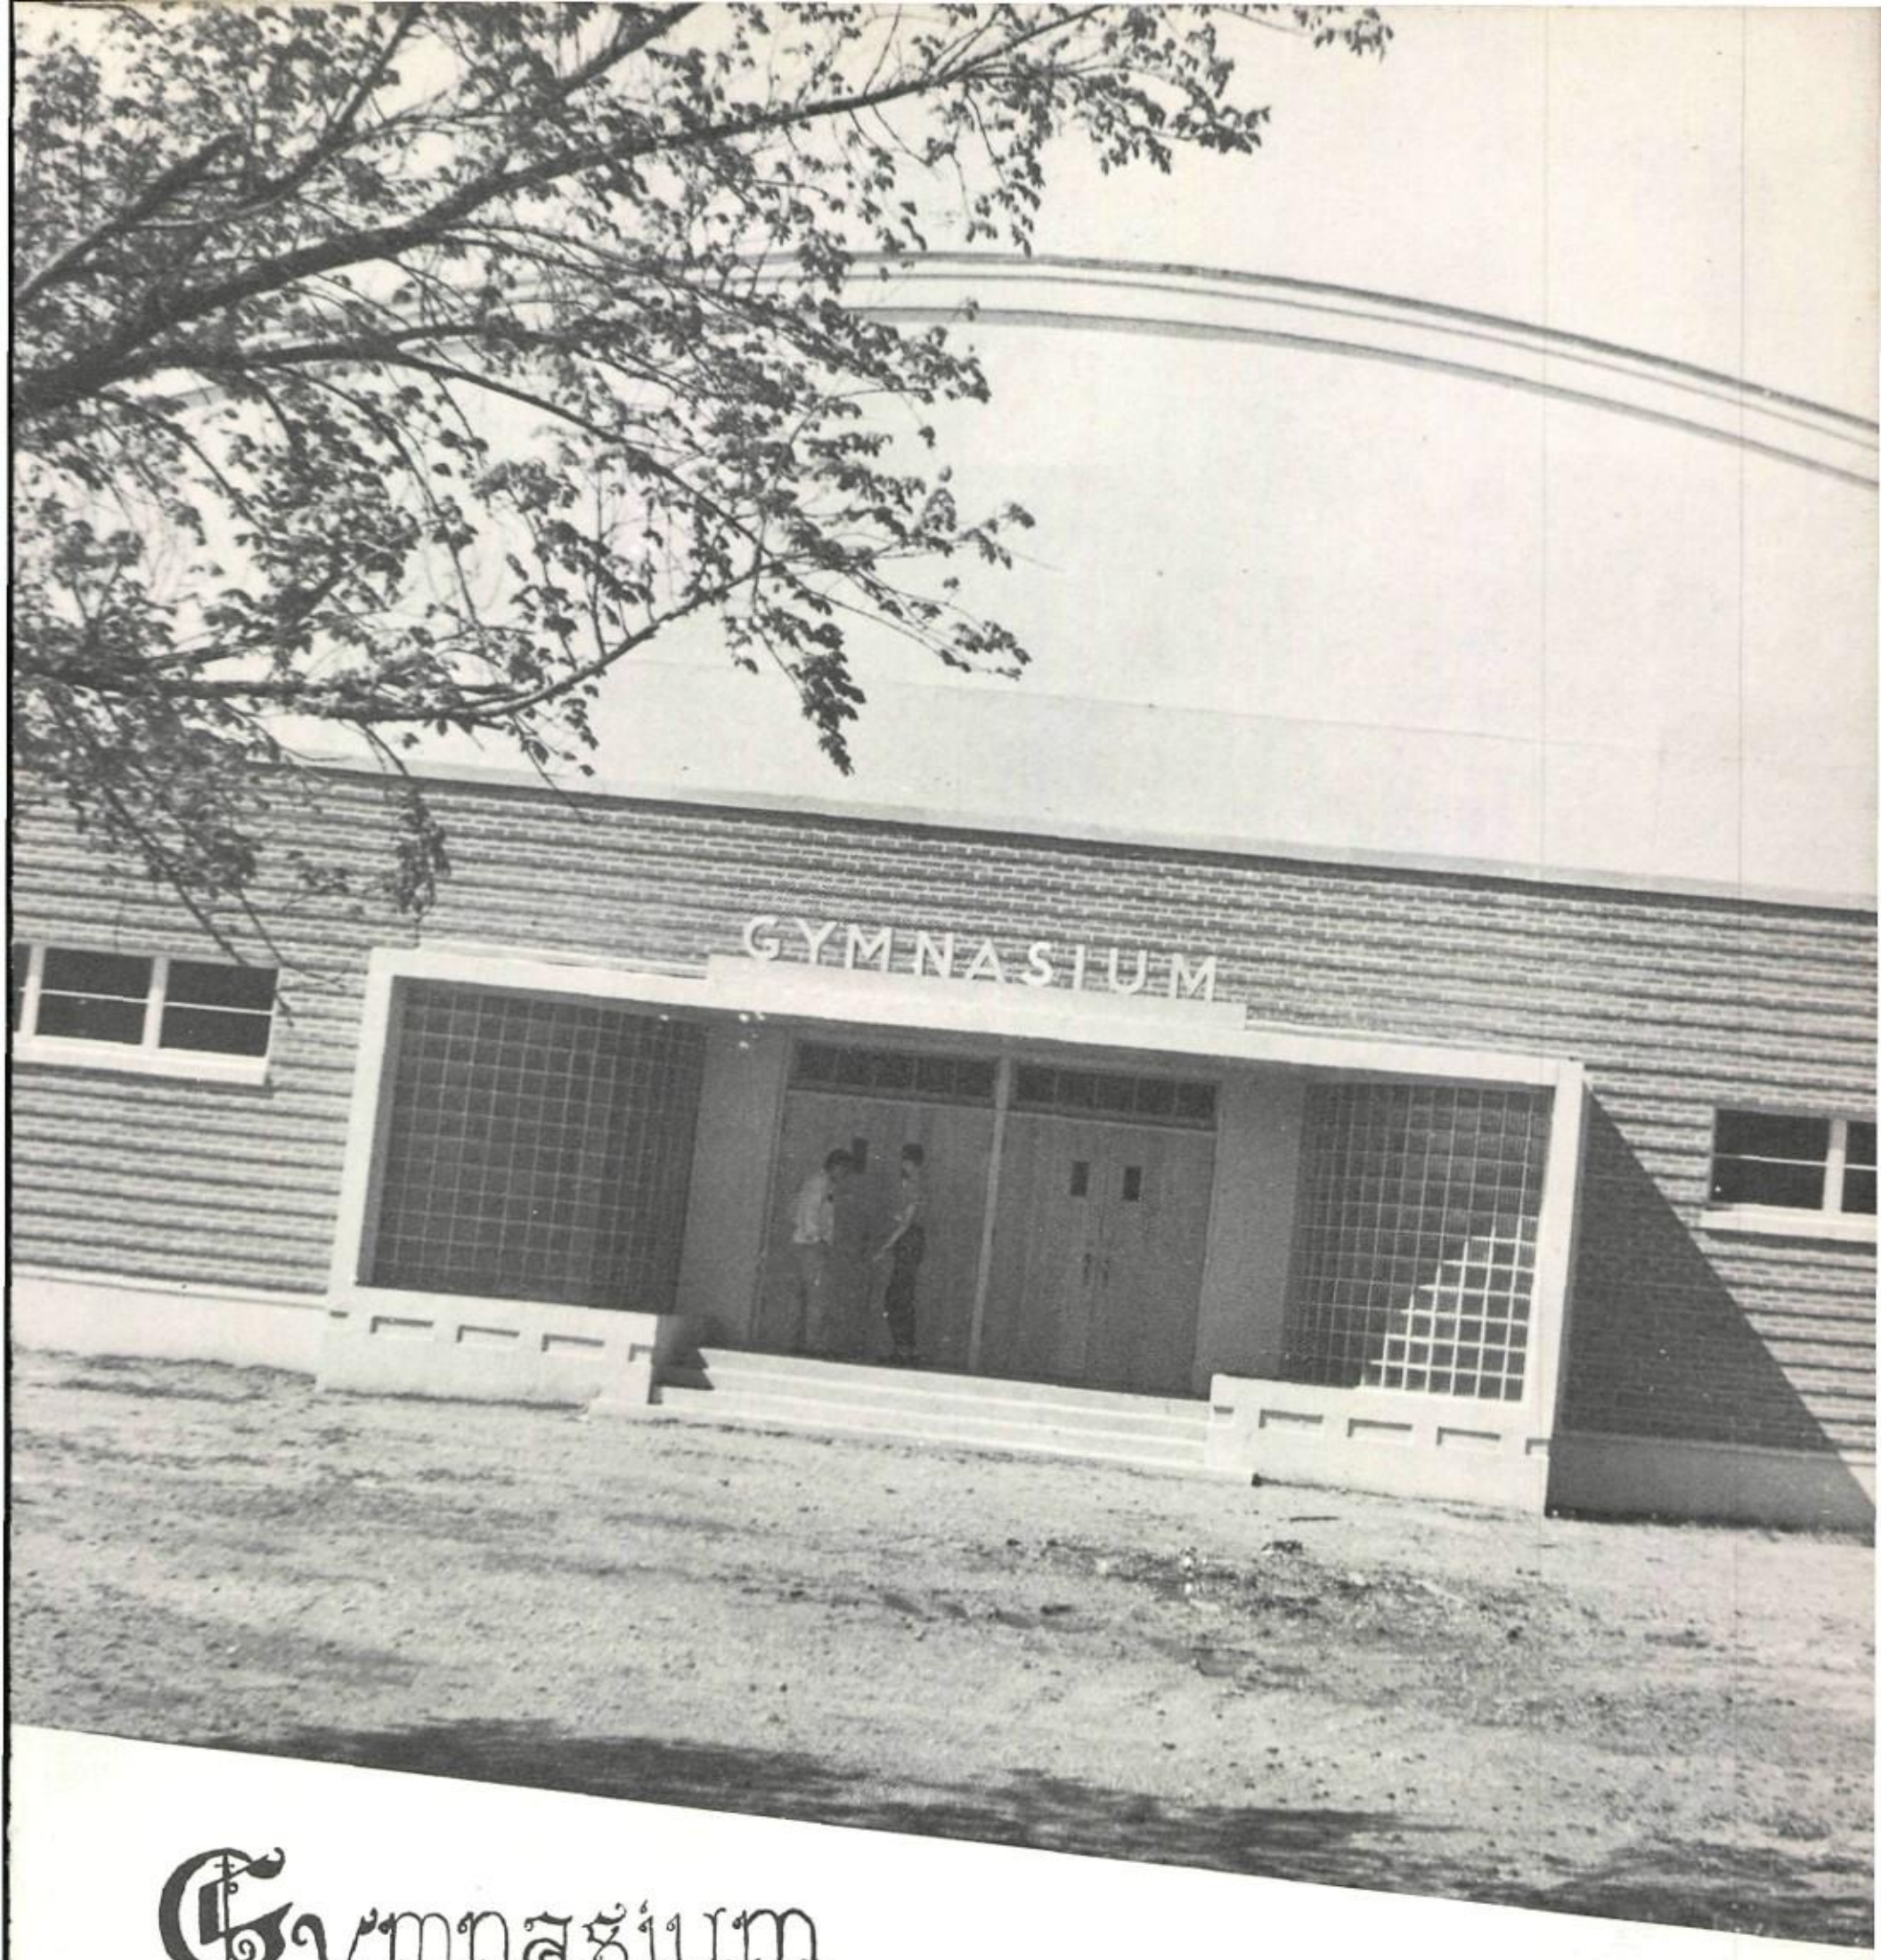


Principal

Mr. A. B. Roach, Principal of Ennis High School, is seen getting a drink at the water fountain. The student body is indebted to Mr. Roach for his friendly disposition and helpful services. He is loved, honored, and respected by both faculty and students.



High School



Gymnasium

The high school as well as the new gymnasium have a definite place of pride in the student body of Ennis High School. The students appreciate them not only for their beauty, but also for the progress and the standards which they represent.

Many Ennis citizens have helped to construct the educational standards and to improve the school system. Such citizens are the members of the Board of Education--A. L. Thomas, E. C. Oats, Joe Hawkins, Leo Kirkpatrick, S. S. Whitlock, Phil Todd, and W. R. Shween-who show a genuine interest in the students welfare. The Parent-Teachers Association under the leadership of Mrs. John D. Pollan has improved the Ennis Public Schools in many ways. To these organizations and to every other citizen who has done his share in the forwarding of education in Ennis, the student body of Ennis High School expresses sincere appreciation.
